

> Waterproofing Systems and Technical Solutions

> Icon Siam

Located next to Chao-Praya River and near Bangkok's China Town, ICON Siam is the new landmark of Thailand. It is consisted of Luxury retail, luxury residence and attraction.

The luxury building needs to be perfect in every detail to represent their premium positioning.

The wall finishing must be neat and smooth to attract the tenants to their building. Skimcoat is the solution for this kind o work.

LANKO is Number 1 original Skimcoat in Thailand provided LANKO 110 SKIMCOAT to the project.

LANKO 110 was used to achieve the smooth and neat surface.
