> Romon U City Park

Romon U-park is a 200,000 m² amusement park located in Ningbo. By its size it can be considered as one of the largest urban indoor theme parks in the world.

Romon U-park consists of a 57.4m high indoor park and an outdoor park called "Legend Island". In those two areas, there are over 30 attractions, 30 restaurants and 20 shops.

The full Thixopierre range has been used to shape this theme park from the scratch coat to the carving coat.

The total cost of the project is estimated at 3 billions RMB (≈445 millions USD\$).
