

➤ Facade Protection and Decoration

➤ Villa Nostra / Salon de Provence

Located in the heart of Salon-de-Provence, near the collegiale Saint-Laurent where was buried the famous Nostradamus, the house Nostra is a contemporary villa unique that perfectly the challenge of integrating into an environment steeped in history... Indeed, modern forms and design, materials and colors of the villa blend into the landscape Provençal, without denaturing it.

This house was born thanks to the association of several speakers: Villa Concept-Jacques Patingre, the architect ; the group Villas La Provençale, the constructor ; as well as multiple craftsmen and industrialists, including PAREX for the facade coating.

Villa Nostra is the second very nice collaboration of PAREX with Villa Concept, after The Drunk Boat at Isle-sur-la-Sorgue in 2010, who was villa laureate of the last Challenge of innovative houses of the Union des Maisons Françaises (UMF).

Construction in a protected sector of the downtown of Salon-de-Provence, subject to rules because of its historical nature: it has needed to find the appropriate coating color and in accordance with local colors. The chosen shade is G10.
